(W A M H I L Y.)

Despite all obstacles, and problems,
Despite all diffuncos and arguments,
Despite your hookus and it's
we made it!

Only 4½ years to go.

Then ill have the cutiest, sweetest, nicest
prettiest girl in the world.

& hope that in those remaining 4½ years
we have exactly 3 less flights than we had
(all my fault!)
at Menlo, Vermont, Santa Cruz, Seattle,
& hope we don't break up and
continue to have fun (as much as we have had)

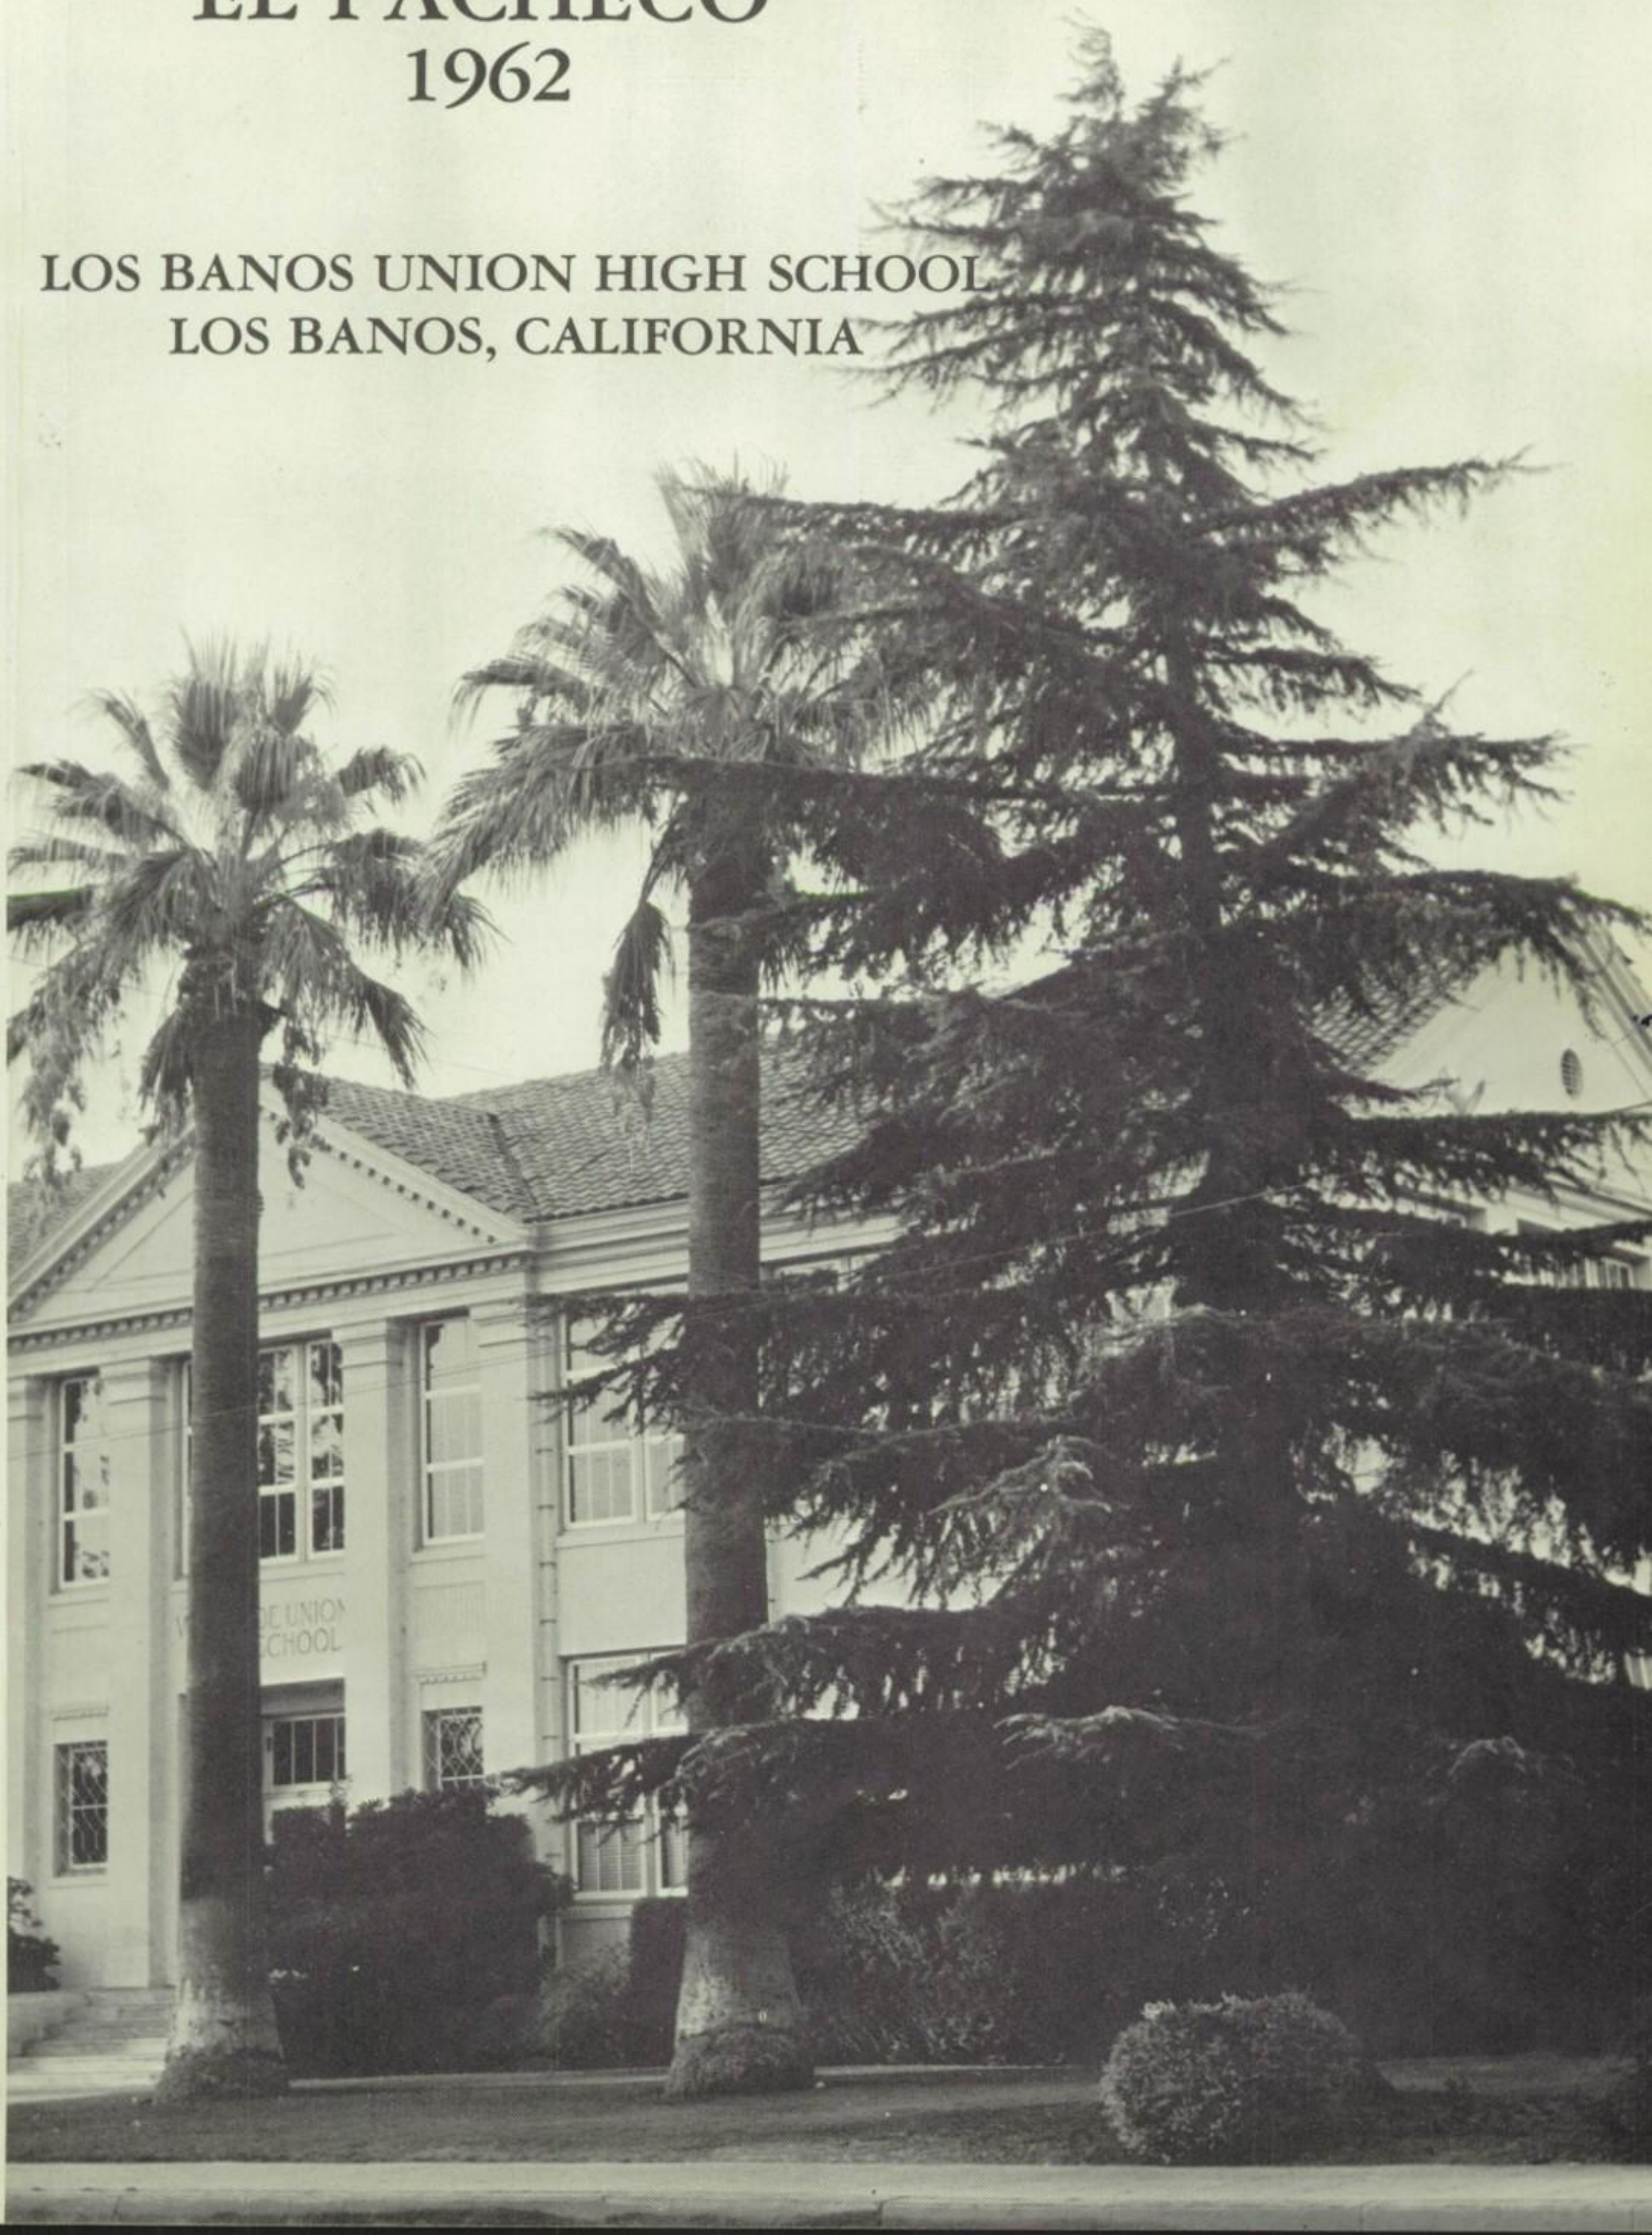
Despite the "That didn't sound right"
the "I didn't mean it that way"s
the "That didn't look right"s
your mother still likes me and if
she doesn't go against us it will be
unanamous. (except for 1)

(I P W A G D Y)

Love always
Mark

EL PACHECO
1962

LOS BANOS UNION HIGH SCHOOL
LOS BANOS, CALIFORNIA



FOREWORD

In planning this year's El Pacheco, we have sought to capture the spirit of new horizons. Into our portrayal of the year's events, we have tried to infuse this spirit. We trust that in the years to come, when the San Luis Dam is a reality, this El Pacheco will still be a happy reminder of this school year.

DEDICATION

A spade of ground overturned, a signal of the beginning. This year Los Banos saw the birth of a new horizon that is to spread its fame far and wide--the beginning of work on the San Luis Dam project. Through its progress the project offers the key to opening the door to the future. To this future--and to this new horizon we dedicate this 1962 El Pacheco.

The band had a busy year beginning with the presentation of band shows at all home football games and three out-of-town games--Oakdale, Hughson, and Gustine. The members attended the twelfth Annual Band Day at the University of California in November. They also participated in the Central Valley Band Review in Merced on Veterans' Day.

Following football season, the band was busy preparing for its annual Christmas Concert. During the Christmas season the band presented a concert for the seventh and eighth graders in Merced County at the Merced Theater, repeating the program at the Grammar School here. Other events included participation in the Honor Band, the State Festival in Fresno, and presentation of the annual spring concert. During May Day the Band marched in the parade and played two concerts at the Fairgrounds. The year's activities closed with playing for graduation.

The Pep Club had a very active year beginning with its duties at the home football games. The Rally Committee patrolled the rooting section and decorated the stadium. As a money making scheme, the club sold Los Banos pennants and cow bells to the student body members. In November, the Pep Club was co-sponsor of the annual football dance with the Lettermen's Society.

The Pep Club was very active at the basketball games, doing much to cheer our teams on to victory. The club also put on skits at the basketball rallies.

The 1961-62 Pep Club had one goal in mind--to promote school spirit.

"A" BASKETBALL

The varsity basketball squad went undefeated in league play for the second straight year, pushing their win string to 22 wins without a loss. To cap off a most successful season the team walked off with the Livingston Invitational Tournament championship defeating Davis High of Modesto 43-22, Oakdale 44-37, and Sonora in the finals 66-34. Bob Stoddard, Ed Stoddard and Bob Padilla made the all-tourney team, and Bob Padilla was chosen most valuable player. The team also won the sportsmanship award for the third straight year.

The squad posted a 19-3 season record, losing only to the very fine teams, Carmel, Edison, and Fresno High, all played away from home. Bob Padilla and Duane Shepherd were chosen captains.

TRACK

The 1962 Los Banos Tigers' track season got underway with some outstanding prospects, but lacking depth necessary to be a serious contender for the league crown.

Returning from last year's squad are four Trans Valley League record holders. They are Richard Lewis, Class C shot put; Jim Petrocelli and Richard Cresswell, dash men; and Raymond Silva in Class C hurdles.

Bolstering the Tiger hopes are George Castillo, Class A shot put; Eugene Souza in Class B broad jump; David Sirsi and Keith Welch in the Class A 440; and Bill Bell and Ron Miranda, Class C dash men. The brightest prospects for the season are in the relay teams, all of which in early season practice are near league records.
